Who we are

Who is providing this notice?

Peoples Energy Credit Union

What we do

How does Peoples Energy Credit Union protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does Peoples Energy Credit Union collect my personal information?

We collect your personal information, for example, when you:

- Open an account or apply for a loan
- Deposit money or give us your income information
- Provide employment information

We also collect your personal information from others such as credit bureaus, affiliates, or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only:

sharing for affiliates' everyday business purposes—information about your creditworthiness
 affiliates from using your information to market to you
 sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

Definitions

Affiliates

Companies related by common ownership or control. They can be financial and nonfinancial companies.

Peoples Energy Credit Union has no affiliates.

Nonaffiliates

Companies not related by common ownership or control. They can be financial and nonfinancial companies.

Peoples Energy Credit Union does not share with nonaffiliates so they can market to you.

Joint marketing

A formal agreement between nonaffiliated financial companies that together market financial products or services to you.

Peoples Energy Credit Union does not jointly market.
